SAFE ROUTES TO CEDAR PARK

The Cedar Park School building at the intersection of NE 135th St and 37th Ave NE, currently used as the interim site of Olympic Hills Elementary School, will be opening as a new neighborhood school in September, 2017. SDOT is currently gathering community feedback about how to improve traffic safety for students who will be attending this new school. These improvements may include traffic calming to reduce speeding and collisions, building new sidewalks and a neighborhood greenway, improved signage for drivers and providing safer places for families to walk and bike to school.

At this open house, we'll share traffic data, and you can help us learn where people want to walk and bike in your neighborhood and what barriers stand in their way. At a second meeting, we'll go over recommended safety improvements near Cedar Park School.

PROJECT SCHEDULE

June-October 2016: Outreach to identify top issues and concerns
Winter 2016: Conceptual design
Winter-Spring 2017: Design Alternatives Review Meetings
2017: Implementation
